Dear Mr. Whitenack:

Insurance Services Office (ISO) has submitted a recommendation concerning your community's Public Protection Classification (PPC). Currently, the Community's Public Protection Classification rating is a class 4.

Insurance Services Office is recommending that the classification be changed to a Class 1, with an effective date of 07/01/2003. The recommendation is based on a review of your community performed on 10/25/2002 and does include the application of the Texas Addendum.

We have reviewed the information provided and believe it is sufficient to grant approval. Enclosed is a PPC Submittal sheet indicating the point totals for the major areas associated with the review. We will notify Insurance Services Office of our approval of the recommendation and the 07/01/2003 effective date.

If you have any questions regarding this change, I may be reached at the address indicated above or by telephone at (512) 305-7941.

Please make sure all community officials and residents within your district are notified of the new Public Protection Classification rating for your community, and the effective date.
